## FALL EVENTS & CLASSES

### Friday Night Off Lead

Our Friday Off Lead class was a really good time slot for many students, so we will extend it thorough another session. This one will begin on Friday evening September 20, 6:30 PM

### A Brand New Class

We will begin **Field Training** at Cedarwoods this fall. The class will be four hours of actual field work each week for four weeks. When you have completed the four weeks of class you will be ready for the AKC JR. Hunt Test.

The cost for sixteen hours of training will be \$150. This is very reasonable and we are happy to be able to offer it. The trainer will be Frank Kelly, owner and trainer of L&F Kelly Labradors who has 25 years experienced at Jr., Sr. and Master Hunt levels. Call right away and sign up. 384-6955

### Tune Up Classes

These classes are a great opportunity to work your dog amid a variety of distractions. The structure of the class is much the same as our Off Lead class in that the dogs are all worked together at the same time. The goal in this class is to work through various behavior problems. Leash aggression and dog socialization skills are the main focus.. It is a fun class and a bargain at \$5.00 per dog drop in charge. Classes are held Mondays 6:30 PM and Saturdays at 1:30 PM Come on out for it. You'll be thrilled with the results in your dog.
